

CMARS

THANKS FOR PARTICIPATING

This event is to promote Pickle Ball play at your level, within the valley and most of all having fun and meeting other players.

You are invited to participate in a round robin event. Players are limited to ?? so reserve your spot now. Be at the courts at least 15 minutes prior to the start time to receive your playing number and get your warm up in. Courts and partners are randomly assigned and games are to 11 points, with a time limit of 11-12 minutes with a 3-minute break between games depending on the weather. You are expected to stay and play for all the games. And don't forget your water.

PROPER NAME TAGS MUST BE WORN WITH YOUR NAME AND YOUR PARK

Your level of play is self rated so if you are winning all your games then you should move up a level. Same should happen if you are losing all your games you should move down a level.

This will make for a more pleasurable experience for you and all other players.

CMARS INTERPARK

THIS IS HOW YOU SIGN UP

1. If you choose to participate in CMARS (Inter- Park play), look at the schedule and choose the appropriate sessions you want to be invited to. (see schedule below). You can register for as many sessions as you want at your level of play.
2. Email that host person listed for each event that you want to play in. You only do this once. That host will enter your name in a program called Sign Up Genius.
3. Every week, you will receive an email from Sign Up Genius inviting you to register to play. This email is usually 3-4 days prior to the scheduled play time. There are limited spots and so registration is on a first come first served basis.
4. Once you are registered, it is expected that you will show up and stay for the entire play time. If you are unable to attend, you may choose to find a replacement or you must delete yourself from the event.

If still unsure how to do this talk to any of the game hosts.
